Pets MUST be on a leash or a carrier. NO EXCEPTIONS.

No free-roaming animals.

Only domestic pets are allowed.

Pets are **not allowed** to stay in the Studio or Mall.

Pets must be brought in at the time of the session and taken out immediately after the session and cannot stay in the mall. Viewings can be scheduled for a different day and time if needed. Please review the mall pet rules and adhere to those as well. The mall has been notified about this event and Picture People is working in cooperation with the mall.

Cloth props, backdrops, or blankets may NOT be used with pets due to allergies. Feel free to bring in your props or blankets from home to personalize the session.

Please take your pet to the bathroom before the session. Any accident will need to be attended to by the owner.

Pet sessions must be scheduled over the phone or in person with a studio associate. Any sessions that are booked online that show up with a pet will be rescheduled for another day.

Pet sessions are available Monday – Thursday. Available times can vary per studio. Some studios may not be able to offer pet sessions. Please contact your local studio.

Pets must be brought into the mall using the closest entrance to the studio. Please confirm the closest entrance with a studio associate.

If needed, Pet sessions may be ended at any time by the photographer.

Pets cannot be brought into the studio without a scheduled session specific to pets.
